

**Public Notice Mandatory Language for Monitoring and Reporting Violation
Operational Evaluation Report**

The **Rock Hill Water Supply Corp.** water system PWS ID **180014** has violated the monitoring and reporting requirements set by Texas Commission on Environmental Quality (TCEQ) in Chapter 30, Section 290, Subchapter F. Public water systems in exceedance of an operational evaluation level are required to conduct an evaluation of their source water, treatment and distribution operations and submit a report of their findings to the TCEQ.

We failed to conduct an operational evaluation and/or submit a report to the TCEQ.

This/These violation(s) occurred in the monitoring period(s) 3Q2025.

We are taking the following actions to address this issue:

We are having to use more of City of Carthage water due to are well is not pumping enough
water. We are working on getting a new well and hope to have it done by the end of the
year. Until then we are going to continue flushing more often.

<corrective actions>
